

TurboTax Mobile Apps

Estimate, file and track your taxes right from your phone

TaxCaster – Estimate your tax refund

Want to know how big your tax refund is going to be? TaxCaster from TurboTax is a free, easy app for a quick tax estimate. Just enter basic information about you, your income and deductions to get a good idea if you will owe money or – hopefully – get a nice big refund. Available on iPhone, Android or Windows Phone 7.

SnapTax – Prepare and file your taxes on your iPhone

Available nationwide and designed for taxpayers with simple tax returns, SnapTax allows you to snap a photo of your W-2, answer a few simple questions, review your return and e-file your federal (1040EZ) and state tax returns directly from your phone. Available on iPhone and Android. Go to www.SnapTax.com for more information.

MyTaxRefund – Track the status your refund on your iPhone, iPad

Wondering where your refund is? MyTaxRefund, a free and easy app, is available to any taxpayer that has e-filed their federal tax return. MyTaxRefund:

- Shows you the IRS projected status of your e-filed, federal return
- Tells you if your return has been accepted by the IRS
- Estimates, according to the IRS, when you'll get your federal refund
